

Guess Who I Am
By Nickie Korpall

I can make you cry.
I can hurt you.
I can make you smile.
I can make you proud
I can make you angry
I can make you upset
I can educate
I can make you worried and stay up late.
I can make you laugh
I can make you spiritual
I can break you
I can waste your time
I can sell you things
I can make you wealthy
I can make you poor
I can inspire you
I can help solve all your problems
I can create problems
I can be a friend.
I kept your entertained
I wipe away your tears
I can be your enemy.
I have been a part of your life from the start.
I will be there to the end
I have been there when your graduated.
When you failed and feel defeated
Been there for the best of times
I been with you the worst of times
You'll want to keep me forever
You can throw me out.
I can travel with your approval
I can be sent to you morning, day, and night
You can crumble me, toss me, walk all over me, stab me and
Create beautiful things out of me.
I can be small, big, large, and enormous
Can you guess who I am?
If you guess Paper, that's what I am.
